relay-edge

Customer Documentation Overview

2026-08-29

relay-edge stamps site context and runs farm / firewater / remote-edge / fleet simulators that publish into Relay (via pubsub or direct).

You want to...	Open
Configure the full Relay stack (day-0)	Stack onboarding
First install on <code>/ui/</code>	Getting Started
Home, Configure, Lab	Using the Dashboard
Screen guides	Page-by-page
URL lookup	Page index
Env and TLS	Admin basics
Store → Send → sims	Workflows

→ [Docs one-pager](#) · [GitHub](#) · [Relay](#) · [pubsub](#)

Printable PDFs

```
node scripts/customer-docs/build-customer-pdfs.mjs
```

Output lands in `pdf/` :

- `relay-edge-Customer-README.pdf`
- `relay-edge-Getting-Started.pdf`
- `relay-edge-Page-by-Page.pdf`
- `relay-edge-Admin-Basics.pdf`
